Hi, neighbors.

The proposal by STEAC to put a huge portable building on the southeast corner of 5th and D Streets will be continued by the City Council Tuesday evening for one month. Staff is trying to find a viable alternative. I may know more about that possible solution to STEAC's legitimate storage needs as early as tomorrow.

Thanks for being poised to speak out at the Council meeting, but that won't be necessary this week.

I'll report back.
Steve Tracy.

Neighbors.

The City Council will have an item up Tuesday to put the increased fines and increased police patrolling zones in place for Picnic Day again this year. Let's assume that will pass.

There is a nearly $400 cost to install (and I imaging remove) the signs announcing the zone's presence and the fines. I wonder if we can make a gesture of appreciation and offer to hang the signs that will cover Old North Davis?

IF you thinks it's a good idea, please let me know. And if you want to come out and spend a couple of hours putting them up and taking them down after the event, let me know that.

Thanks.
Steve Tracy.
