

Old North Davis Neighborhood Association

Neighborhood Meeting and Picnic

Sunday, JUNE 23rd, 2002

Meeting: 3-4pm, Hattie Weber Museum

This will be the first meeting of our Neighborhood association. All residents, owners, and businesses are invited to attend. We will need to nominate and vote on board members and set our association's priorities (with help from the results of the enclosed survey.)

Picnic/Potluck: 4-8pm, Central Park Picnic Area

We will provide plates, napkins, and knives and forks.

If your last name begins with please bring a dish to share:

- A - H** Bring Main Dish / Salad
- I - P** Bring Beverages (no glass bottles, please)
- Q - Z** Bring Dessert

BRING LAWN GAMES, BLANKETS & CHAIRS

Dear Neighbors,

At a recent neighborhood meeting, approximately 40 residents from Old North met along with a representative from the City of Davis to discuss the creation of a neighborhood association. A neighborhood association is any group of area residents working together to open and improve lines of communication with the city and amongst themselves. A neighborhood association works together in an inclusive and collaborative manner to address issues affecting their neighborhood. The City Council encourages the formation of neighborhood associations and looks favorably upon their concerns.

The boundaries of the neighborhood are tentatively proposed as north of Fifth, east of B, west of the railroad tracks, and south of Seventh Streets (approximately 150 homes, business, churches, and schools). It is important that a neighborhood association address the issues important to its members. To help us further develop our association, please take a minute to respond to the following survey and plan to join us at the Neighborhood Meeting and Picnic on June 23rd, 2002. A neighborhood association is run by volunteers and is only as strong as we make it. We need *your* help!

Please return the enclosed survey to Anne Brunette at the City Offices on the corner of 5th and B Streets by Wednesday June 20th. You can place it in the drop box in the parking lot, or deliver it to Anne in the Parks Department.
